Permit Agreement

This Agreement is an addendum and is a part of the Apartment Lease Contract, made and entered into between 3rd. Street Apartments, and Resident(s) as listed below:

By signing this addendum, I/We agree to the following:

- I understand that a parking permit will be issued for each apartment. Parking permits will not be issued to occupants. I agree to place the parking permit just above my vehicle Inspection/Registration stickers.
- I understand that each permit is designated to a specific vehicle and may not be exchanged to another vehicle. I understand that the permit assigned is based on the vehicle license plate information. I also agree that if I obtain a new vehicle I agree to return the old permit.
- The parking permit will expire the last day of the current lease. I understand I must renew my parking permit when my current lease agreement expires. I also understand that proof of vehicle registration and proof of valid vehicle insurance are required before permit(s) will be issued and/or renewed.
- I understand that visitors may not park inside of the access gates at anytime. All visitor parking is designated outside the gates at all times. I understand that any vehicle parked in the designated Future Resident Parking outside of the access gates must be moved during office hours each day.
- I understand I may not park boats, trailers, recreational vehicles or commercial vehicles at the property, anywhere or at anytime. Vehicles must be driven on a regular basis and cannot be left abandoned or inoperable at time.
- I understand that if a vehicle is towed, I may contact A. Martinez Towing Company LLC, 24 hours a day, at 832-374-7703.

If a vehicle is park inside the gates without permit, I may contact the towing service directly to have the vehicle removed. All vehicles toward will be at vehicle owner/operator's expense.
